SPECIFIC— BfV List of Espionage Convictions (1945-55)

REF: PULL 3344

1. Attached, in translation, is a copy of a list prepared by the BfV of all persons who have been convicted by German courts in West Berlin and in the Federal Republic from 1945 through 31 December 1955 on charges of espionage or related crimes. This list has been prepared by the BfV on the basis of information obtained by the BfV from the Federal Court (Bundesgerichtshof), from the Superior State Courts (Oberlandesgerichte) in the several Laender of the Federal Republic and from the Supreme Court Adjudicator (Kammergericht) in West Berlin.

2. The list consists of five columns. Reading from the left, these columns are headed as follows: 1) consecutive number (Lfd. Nr. or laufende Nummer), 2) identification of Subject (Personalien), 3) convicting court (Verurteilendes Gericht), 4) sentence (Urteil) and 5) identification of the foreign intelligence service in whose behalf the convicted person conducted the activity for which convicted (Auftraggeber). The list is arranged alphabetically. The consecutive numbers serve only to indicate the number of persons included in the list; they have no relation to the order in which convictions were obtained or to the relative importance of the case. 214 persons are listed, 208 of them in the first list and 6 in a short supplement which is attached at the end of the first list.
